RATTLESNAKE IS KILLED

AT UNION STATION DOOR

Coiled within a few feet of the southern entrance to the union station, a rattlesnake was discovered and killed late Tuesday night by private A. Kojcen of the 20th infantry, who was on guard duty at the station.

Private Kojcen passed the place where the snake was coiled several times, but paid no attention to it, thinking that it was a dark cloth, when he heard a hiss and turning, killed it with his bayonet.

The snake had seven rattles and was about four feet long.

It is believed to have come from the foothilis.

It had been expected that the counting of the vote world be completed by August 7, but at the rate the count is being made, it ought to be completed before that unless there should be some unexpected ideas.

# Many to Scholastic Participation in Texas.

Austin, Texas, Aug. 2.—The state board of education today fixed the state per capita apportionment for the year 1915-17 at \$7 per pupil. The apportionment was based upon estimated receipts of \$8,888,000 and a scholastic enumeration of 1.246.898 children. The per capita is considered high in view of the fact that the census enumeration for the year 1916 includes an ex- BOY IS DROWNED WHILE tra year.
